TO: City Council

VIA: Dennis R. Halloway, City Manager

FROM: Deborah Woldruff, AICP, Community Development Director

SUBJECT: GENERAL PLAN UPDATE PROJECT – The project is a comprehensive update to the City's General Plan document (text and maps) that will set policy and guide the City's development over the next twenty years. Areas directly affected by the update project include all properties located within the City's corporate limits, and properties within the City's Sphere of Influence in the County unincorporated areas generally east and south of the City limits to the Redlands City limits and Riverside County Line.

RECOMMENDATION

The recommendation is for the City Council to continue the Special Planning Areas (SPA) of the Draft Land Use Element to the regular adjourned meeting on August 16, 2005. The SPAs (specifically, areas D, G, H, and J) and the University Village and Orchard Park Specific Plans will be jointly reviewed during the meeting so that the review of the land use components of all three documents can be completed and conceptually approved.
